

M-38398 FDA Sizing Varnish

PRODUCT DESCRIPTION

M-38048 FDA Sizing Varnish is a sheetfed offset lithographic overprint varnish for printing on porous substrates, including paper and board. It exhibits a high gloss, fast drying, low-yellowing finish over a variety of paper stocks. It is suitable for general commercial printing, folding carton, and label stock. It is FDA compliant for indirect food contact, but may be suitable for use as a primer for FDA direct food applications, when properly overprinted with an approved FDA direct food coating in a continuous film. M-38398 meets all Federal, State, and local government and Industry standards for air quality, health and safety.

SUBSTRATES AND APPLICATIONS

- Uncoated Paper and Board
- Coated Paper and Board

CHARACTERISTICS

- FDA 21 CFR 175.300 Compliant
- Made with Swiss Ordinance and Nestle compliant materials
- BPA free
- Fast Oxidative Dry
- High Gloss
- Low-Yellowing

STORAGE

Protect from freezing. Store at room temperature (Below 100 F.) Reseal containers tightly.

PACKAGING

Available in 5 Lb, 30 Lb, and 45 Lb kits. Mixing kits are also available with or without an electronic scale for companies wishing to do their own custom color matching and mixing.

PRECAUTIONS

Read the Material Safety Data Sheet prior to processing. It contains instructions for precautions when processing, handling and storing inks, and important first aid information.

OBLIGATION OF MANUFACTURER/SELLER

The following is made in lieu of all warranties, expressed or implied: Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct, or incidental or consequential, arising out of the use of or the inability to use the product. Before using, the user shall determine the suitability of the product for his intended use and user assumes all risk and liability whatsoever in connection therewith. The foregoing may not be altered except by an agreement signed by officers of seller and manufacturer. ALWAYS PRE-TEST BEFORE RUNNING PRODUCTION.
